# Let's join IYC 2011

Congratulation !

Women Sharing a Chemical Moment in Time  
Breakfast Event in the World

Gathered All Attendees

**The IYC logo symbolizes “Chemistry”**

“C” is

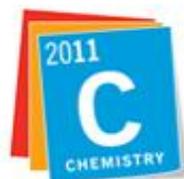

for Celebrate 100<sup>th</sup> anniversary of Marie Curie’s Nobel Prize in chemistry, for Challenges, for Creativity, for Changes and so on.

There is plenty to Celebrate under the C of Chemistry.

We add Cross-Coupling, double C.

The 2010 Nobel Prize for Chemistry was awarded to Richard Heck, Ei-ichi Negishi, and Akira Suzuki.

International Year of  
**CHEMISTRY**  
2011
